Visitors and vendors are encouraged to take a walk back in time and tour our museum while visiting the park. Many of the visitors in 2017 enjoyed the old-time store displays and special exhibits.

Our new "Carriage House" displays are being created and plans are being made for interactive displays and demonstrations at Museum next to the flea market area.

We look forward to seeing you at our Craft & Flea Market. While shopping, have coffee or lunch on the grounds and visit our museum.
